We recommend that you take advantage of the central programme of Information and Advice being provided by the University with presentations on Finance, Student Life, Sport, Accommodation etc. Details can be found on the confirmation you received when you booked.

There will be Student Ambassadors on hand during the day who will be pleased to answer any questions and talk to you about studying Mathematics with us at Exeter.

We hope you have a useful and enjoyable day, we welcome your comments and you will have the opportunity to fill out an Offer-Holder Visit Day Questionnaire.
